Moheli Laka Lodge is a holiday resort located in the heart of the Moheli Marine Park.

We have 15 rooms, each with a private terrace and ocean view, direct access to the beach, and a private bathroom. Our bungalows are cosy and charming. Our studios are extra-large with room for 2 extra beds for families. While our private beach villa contains a two-room apartment and our premiere panoramic suite. All rooms are within steps of the beach and the restaurant.

The "Whale Bar" on top of the peninsula offers panoramic views of the lagoon and the islets, and closes out the day with magnificent sunsets.
