Moheli Laka Lodge is a holiday resort located in the heart of the Moheli Marine Park.

We have 15 rooms, each with a private terrace and ocean view, direct access to the beach, and a private bathroom. Our bungalows are cosy and charming. Our superior rooms are extra-large with room for 2 extra beds for families. Our private beach villa contains two suites and our premiere panoramic suite. All rooms are within steps of the beach and the restaurant.

On top of the peninsula you can enjoy panoramic views of the lagoon and the isles and close out the day with magnificent sunsets.
